HOMECOMING

The ninth Wilton High School Homecoming began on Friday, October 20 — "blue and white day" — at a pep rally in school. It was there that Don Verrilli, student body president, announced Bob O'Hearn as Homecoming King. The other finalists were Kevin Dunn, Bob Hargadon, Hank Offinger, and Jim Rose. Later that evening, a bonfire was held at which the Queen finalists were announced. They were Nancy Byrne, Nancy Ketcham, Joanne Monteleone, Buffy Neuffer, Jane Urquhart, and Pam Waters.

Homecoming weekend's athletic competitions began on Saturday morning with a soccer game against Westhill. The WHS soccer players suffered a surprising 3-2 defeat before a large Homecoming crowd. Wilton had been ahead 2-0 in the first half on tallies by Jerry Channell, one of them on an assist from Steve Gross. However, in the second half, Westhill came back with three quick goals to make the score 3-2. As it turned out, there was not any more scoring and Westhill went home victorious.

After the traditional tailgate picnic, the Warrior football squad took on long-time rival Ridgefield for what proved to be an exciting and hard-fought 8-0 victory. The only score of the game took place during the last half of the fourth quarter. Following an interception by Bob Ghiringhelli, on Ridgefield's 35 yard

line, Craig Ferrer ran the ball to the five and on the next play, Bruce Fryer sprinted up the middle for the TD. Fryer also ran in the conversion to complete the scoring. Greg Oehler made a clutch interception at the goal line a few plays later which insured the victory for Wilton.

Half-time activities began with a rousing performance by the WHS band. Accompanied by the "Warriorette" pom-pom squad and the Majorettes, the band formed a huge "HC 73" to the tunes of "Cabaret" and "Dueling Banjos". A parade of floats followed, representing the four classes and the Environmental Ecology Group. The Class of '75, for the third consecutive year won first prize with their huge tissue paper argyle sock entitled "Arguys" 11 sock Ridgefield". The Juniors had earlier won \$25 in the Pep Club sponsored decoration contest for their collage in the cafeteria. Finally King Bob had the honor of crowning the Queen, Joanne Monteleone, with a wreath of red roses. Joanne was also this year's Homecoming Committee chairwoman.

Homecoming concluded with a very successful dance featuring "Millhouse" on Saturday night. The great number of returning alumni and good student participation made Homecoming '73 the highlight of the fall season.

AFS

Dear Students and Faculty of Wilton High,

How can we thank you in this short paragraph for a whole year of wonderful experiences? With such big help from all of you, we have been able to join you in your daily life. You gave us the opportunity to observe the American style of life; to learn about its customs and traditions. We were never just visitors, and we tried to become true members of the big American nation. What we have learned and experienced will stay with us forever. It will assure us that regardless of the differences in the traditions and cultures, people still try to understand and help each other. So please accept this little "thank you" from both of us as a poor show of gratitude for this wonderful year.

Love,
Greg and Lena

CLUBS

LA TERTULIA

Este grupo le ofrece la oportunidad de gozarse de la lengua española, mientras que se entretenga. Ganando dinero en forma de ventas de dulces y de postres nos permite asistir a actividades culturales a precio reducido, como comer en un restaurante nativo, ver una obra dramática de García Lorca, ver un espectáculo flamenco, y más. Muchas veces nos juntamos con los estudiantes del club francés, como cuando fuimos al Museo Metropolitano de Nueva York, y en una actividad muy popular y nueva este año, una compeonata de boliche contra los franceses. (¡La próxima vez les venceremos!) Nuestros planes para el futuro incluyen una cena española que prepararemos nosotros mismos.

SAFE

Student Action For Education (formerly the Future Teachers of America) has launched many new programs for interested high school students. Working in the Middle Schools, SAFE members are teacher's aides and tutors. They have shared some of their own hobbies and interests with the younger students. In the high school, SAFE is an active part of Mrs. Garcia's reading program.

SKI

The goal of the ski club is to give more people a chance to enjoy this excellent form of recreation. It offers weekly trips at a minimal cost to members, including an opportunity to take lessons and perfect their form. Ultimately this leads to a greater appreciation of this international sport.

ECHELON

Student interest in the Wilton High School yearbook, the Echelon, runs high. The editors are seniors and the staff consists of seniors and underclassmen. Mrs. Kropp is the advisor, and Miss Jarusinsky is in charge of subscriptions.

The Echelon goes to press in March and is delivered in June. The seniors receive their yearbook the night before the rest of the school at a senior signing party sponsored by the Echelon.

When the current Echelon is in press, Mrs. Kropp holds a yearbook workshop each week until the end of school. It is from the efforts shown in this workshop that editors are selected by the advisor for the coming year.

WORLD AFFAIRS CLUB

The main goal of the world Affairs Club is to create a base from which there can be an exchange of ideas on a variety of topics. Meetings are held about twice a month with discussions centering on not just international affairs but also events concerning the nation, state, or town. One's ideas are not often enough challenged by one's friends and the World Affairs Club offers people a challenge in a constructive way.

ECOLOGY ENVIRONMENTAL GROUP

We are a group of students interested in preserving the ecological balance of the earth. Once a month we combine with the Wilton Environmentalists and the Boy Scouts to recycle glass, cans and paper from the people of Wilton.

This year we also started a school-wide paper recycling project conducted within the teacher's workrooms.

In November we went on a hiking and camping trip to Macedonia State Park with our advisor, Dr. Cappel. We hiked 8 miles and then the campers backpacked 2 miles over Mount Algo to camp beside a rushing mountain stream.

If you enjoy nature and want to protect it from worldwide apathy join our group of concerned citizens.

PEP

The Pep Club is made up of sports fiends and fans. We are dedicated to supporting our teams. We sell booster stickers for football games, have car rallies and organize the seasonal sports dinners.

We are the main cheering section at the football games because we care about supporting our teams. Do you?

NATIONAL HONOR SOCIETY

The National Honor Society recognizes not only academic performance, but also qualities of leadership and participation. Members accept this award and pledge to continue service to others and to the school. For 1973-74, the Society is exploring new directions for its activities, in addition to sponsoring the annual Book Fair, the tutoring program in the school, a committee studying school problems, and a debating society open to anyone.

MODERN DANCE

The Modern Dance Club is a group of energetic girls who shed their inhibitions by giving two beautifully expressive shows during the year. A wide variety of music is used for the interpretive dancing. Working after school, under the supervision of Mrs. Murley, all the girls are bonded together by good times and hard work.

MATH

The Math team finished third last year (72-73) in a league composed of eight schools: Joel Barlow, Rippowam, Greenwich, Andrew Warde, Trumbull, Ridgefield, Westhill, and Wilton. The club is setting its goals ever higher, and with hard work and dedication (plus a little fun, now and then!), the team will be number one.

CLUBS

LE CERCLE FRANÇAIS

Le cercle français est un groupe d'étudiants enthousiastes qui aiment la langue française et qui veulent apprendre davantage sur la culture française en s'amusant le plus possible. Pendant l'année scolaire, le cercle est occupé à faire beaucoup d'activités. Par exemple, les membres ont déjà projeté deux excursions à New York, et un week-end à Montréal ou à Québec. Les étudiants ont l'occasion de goûter à la nourriture française, et de la préparer aussi. Tout compris, les expériences variées du cercle français ont de grande valeur à chaque membre.

I remember my youth and the feeling that will never come back any more —

A NOTE TO THE FORWARD-LOOKING CLASS OF '78 (COLLEGE THAT IS!)

A FUTURE IN AIR FREIGHT?

By 1978 air freight will be a multi-billion dollar industry. Our daily needs will be moving by air, and it will be commonplace to see jumbo air freighters in every part of the world.

Emery Air Freight will be the leader in 1978, as it is in 1974, and you might remember our building you passed on your way to Wilton High School each morning. A job could be yours at one of Emery's 100-plus world-wide locations.

STAY CLOSE TO YOUR FRIENDS UP UNTIL THE END
AND WHEN THEY KNOW THAT YOU FEEL THE SAME WAY

RISE UP AND BE FREE AND DIE HAPPILY
AND IN THIS WAY YOU WILL AWAKE.

We cannot know how much we learn
From those who never will return,
Until a flash of unforeseen
Remembrance falls on what has been.
